

THE PAX FAMILY

A920 / A77 / A50

The PAX A920 is an impressively designed payment terminal, combining the features of an Android tablet with a powerful payment terminal.

It accepts a variety of payment methods, including contactless, QR code scan, mobile and wallet payments, Chip & PIN and Magstripe. With Wi-Fi or 3G connectivity, the A920 can operate with your own WIFI network or in mobile environments.

It is ideal for charities who want to give donors the widest variety of payment and donation options.

FEATURES

- A standalone device
- 5-inch HD touchscreen
- Rechargeable battery for continuous use
- Dual cameras for recognition of 1D/2D codes Fast thermal printer
- Powered by Android OS
- Multiple connectivity options
- Supports electronic signature capture

EASY TO SET UP:

The LibertyPay Team will make sure your device is set up and ready to use straight out of the box, saving you time and ensuring you're ready to collect card payments right away. All you need to do is connect to Wi-Fi or 4G connection.

As compact as a smart phone. Secure payment acceptance and professional barcode scanner in a single device.

The new A77 is perfect for charities and not for profit organisations who raise funds on the move.

Impressively designed, its compact, stylish and weighs just 240g. The A77 accepts a variety of payment methods, including contactless, QR code scan, mobile and wallet payments, Chip & PIN and Magstripe.

With Wi-Fi and 4G connectivity, the A77 can operate with your own WIFI network or in mobile environments. This premium quality all-in-one payment acceptance solution is ideal for charities looking to take payments in store, at events or on the move.

Designed to reduce environmental footprint as well as stationery costs, the A77 can deliver receipts by SMS or email, or optionally can be paired up via Bluetooth to an existing printer.

FEATURES

- Android 8.1 OS
- 4G + Wi-Fi + Bluetooth
- Contactless + Chip & PIN + Magstripe
- 5.5-inch color touchscreen
- 3.8V/5250mAh rechargeable battery
- Dual Cameras - 2MP front & 5MP rear camera
- Optional professional scanner
- USB type-C charging port
- Optional docking station
- PCI PTS 5.x. SRED
- Weight - 240g + 17mm thick

The A50 is our slimmest mobile payment solution at only 12mm thick, comfortably fitting in your pocket and perfect for those who need to take payments on the move.

The new A50 is perfect for charities and not for profit organisations who raise funds on the move. Even smaller than its sister the A77, the A50 will fit perfectly in your pocket or worn with a lanyard.

Its small, compact, and featherweight design is considered and perfect for those fundraisers who are on their feet all day. Weighing only 163g and at 12mm thick, the A50 is the perfect pocket companion.

The A50 accepts all major payment methods and connects via Wi-Fi or 4G. Designed to reduce environmental footprint as well as stationery costs, the A77 can deliver receipts by SMS or email, or optionally can be paired up via Bluetooth to an existing printer.

FEATURES

- Android 8.1 OS
- Cortex-A53, 1,4GHZ
- 3.8V, 2500 mAh battery
- 4.5-inch IPS colour display
- 4G + Wi-Fi + Bluetooth 4.2
- 2MP fixed focus rear camera (optional 5MP)
- Optional front 0.3MP camera
- Inbuilt GPS
- PCI PTS 5.x. SRED

The LibertyPay Team will make sure your device is set up and ready to use straight out of the box, saving you time and ensuring you're ready to collect card payments right away. All you need to do is connect to Wi-Fi or 4G connection.

All the devices in our PAX family range (A50 / A920 / A77) includes our specially developed PayaCharityApp which has been designed for charities to collect one off donations, recurring donations, and the ability to set up to 5 preset amounts.

The App can be fully branded giving you donors a personal experience. The App is quick and easy for both fundraisers and donors to use in Recurring and Selectable amount modes.

In Selectable mode, they simply swipe between up to five set donation amounts or choose their own amount to donate. Once they have chosen their desired amount, they simply tap and pay by contactless or Chip & PIN.
